

**Sale Name:** Xavier Test Live/Online 11/25

**LOT 5 - Tan Rifle with Red Dot Sight**

**Description**

A tan-colored rifle with a red dot sight is displayed on a dark wooden surface. The rifle appears to be in excellent condition, with no visible damage or wear. The red dot sight is mounted on the upper receiver, and the rifle's components are clearly visible. The stock, handguard, and other parts are also tan in color.

**Quantity:** 1
